Employment

Freelance Graphic Designer January 2019 – Present

I continue to work with small to medium sized businesses to produce design solutions such as product photography, toy design turn-arounds, illustrated promotional materials, etc.

Running Press (Hachette) June 2018 – December 2018

Junior Designer

I designed books and novelty toys, brainstormed ideas in team meetings and carried through to completion. I reported to the creative director while executing and balancing multiple tasks and projects in a fast-paced, deadline-driven environment.

Running Press (Hachette) January 2018 – May 2018

Graphic Design Intern

I designed various mini-kits and novelty toy items from start to finish. I assisted other designers in the office with any and all extraneous design-related tasks, from creation of unique assets to book interior layout and design.

DYAD Communications January 2017 – December 2017

Graphic Design Intern

I optimized web page content flow for maximum user comprehension. I reported to the company owner on the status of various print and digital design tasks. I worked in a support role for other designers, taking on any tasks necessary to help ensure timely delivery of products to customers.
